DEVELOPMENT OF A LITURGY COMMITTEE:

Liturgy is the work of the whole community gathered together in prayer. We have sacristans, altar servers, musicians/ singers, readers, eucharistic ministers, cleaners, florist, priest, collectors and counters who every week give of their time and talent to make our liturgical worship meaningful, uplifting and life giving. We truly are blessed by their presence. It is also important that we have a team who plan and prepare for our liturgical celebrations during the year. Thus, I intend to form a liturgy committee to assist me in this work. Prior to forming this committee, I plan to have a series of workshops on Liturgy and the Liturgical Year. All who are interested are welcome to attend, especially those involved in liturgical ministry. The first workshop will take place on Thursday 17<sup>th</sup> January at 7.00pm in St Finian's church

I AM BAPTISED

*Our Baptism sets the tone for all of our lives. What God said to us on the day of our Baptism, he says to us every day of our lives. That is why we say, 'I am baptised', rather than, 'I was baptised'. Baptism gives us our identity as God's beloved sons and daughters on whom God's favour rests. That is why we are only baptised once, and then we spend our lives embracing our Baptism and all it means. Jesus' Baptism was the beginning of his mission of revealing the kindness and love of God to all. That is our baptismal calling too. Like Jesus, we are called to share with others the favour of God which rests upon us.*
