**REFLECTION**

The Samaritan woman Jesus meets is all too aware of what the Jews think of her. She is nervous when approached by Jesus at the well. But he sees beyond the label to the person, the woman with a life story. He engages her in conversation, listens to her, wins her over.

Jesus could tell the woman everything about her life, and he knows each one of us just as intimately. He knows our past and all our faults, our 'cracks.' That is why he is able to speak to us, if we resolve to try and listen.
