## Come and See

By Mike Bullock

Come and see Me when you're able

Call by for a little chat

There is so much I must tell you

I'm concerned at where you're at

You have drifted from My purpose

Heading for a nasty fall

I can guide you back to safety

If on Me you kindly call.

Though My children number millions

I'm available for you

I have knowledge of your heartbeat

Know your rhythms through and through

I created you especially

For a purpose others lack

Call on me this very instant

Come right now, I want you back.
