Reflection:

### Suffering

Nothing threatens our confidence in a caring God more than the sight of suffering. Job, for all his deliberations as to why he has to suffer doesn't come up with any convincing answer to the meaning of his suffering. Christ gives us no answer about suffering nor does he try to explain why people have to suffer. But the gospel passage today gives us the assurance that God is with us however great our suffering may be.

**We remember in our prayers, Rose Fogarty  
 who was buried during the week.**
