Growing in Love: First Holy Communion

As a parish we will acknowledge and support our young people and their families as they journey towards the celebration of First Confession and Holy Communion. The child's faith journey is developed through cultivating a sense of participation and belonging in their parish Mass.

As a parish community, we gather as God's family of families to pray together and to live the joy of the gospel by reaching out in love service in our communities. By welcoming children and their families who are preparing for the first of many communions, and integrating this journey in the Sunday Mass, we as a community actively express the reality of being companions on the journey.
