Circle of love

*So much of our lives are spent
in keeping other people out.
We have private rooms, private houses,
private clubs, and so on.*

*Of course, there are times,
when everybody needs to be alone.
Yet there is a sense in which
our size as human beings can be measured
by the circles we draw to take other people in.
The smaller the circle, the smaller the person.*

*A strong person isn't afraid
of people who are different from himself.
A wise man welcomes them.
By shutting them out he denies himself
the riches of other people's experience.
He starves his mind, and hardens his heart.*

*When a wise man names his brothers and sisters,
he draws no circle smaller
than the first one ever drawn on this earth.
In the beginning God gave the earth its shape.
He made it round. He included everybody.
So should we.*
