God has no favourites

Jesus confronts us today about our tendency to cause conflict by promoting exclusiveness. Many of us are biased against people simply because their political and religious outlook differs from our own. We fail to remember that no seats are reserved in heaven for any particular following. What is necessary if we are to get there, is to have faith in God and reliance on his mercy. God does not discriminate, but welcomes all who believe in him, who ask for his mercy and seek to do his will.
