Supporting Our Local Businesses This Christmas

As we approach the Christmas festive season, we wish to take a moment to express our sincere appreciation and gratitude to all our local businesses, from Dromid to Waterville.
We are truly blessed to have such a wonderful variety of businesses and services within our parish, catering for the needs of parishioners and visitors alike. Behind every business are local people, families and livelihoods that play such an important part in keeping our community alive and thriving.
We encourage everyone, wherever possible, to support local. Every purchase, no matter how small, makes a difference. By supporting our local businesses, we are also supporting local families, creating employment and helping to sustain the vibrant community we are so fortunate to call home.

Loving God, we ask your blessing upon all our local businesses.
May you guide and strengthen those who work tirelessly to serve our community. Bless their homes, their families and their livelihoods.
May their work bring them fulfilment and security,
and may our community continue to support one another with generosity and kindness. Amen.

A Little Help This Christmas?

Christmas can be a particularly difficult time for some individuals and families, especially when faced with worries about food, heating or making ends meet.
If you, or someone you know, may be struggling at this time and could use a little help, please do not hesitate to reach out to Fr. Seán or the Parish Office. Whether it is assistance with food, heating or another difficulty, we will do our best to help in whatever way we can. Any request for assistance will be treated with care and complete confidence.
As a parish community, let us continue to look out for one another, particularly at this special time of year. Sometimes the greatest gift we can offer is simply a helping hand, a listening ear or the reassurance that nobody is forgotten.
